Visitor's Guide to Owlthorpe Heritage and Nature Trail

- Click on the wording above to bring up a larger Google Map.
- Scroll down the page to see points of interest. If you double click on any of the interpretation board photos you will be able to view a large version, which enables you to read on line also, the GPS coordinates are available if you wish to visit and see the boards in situ.
- Many parents bring their children and use the interpretation boards to educate them about the wonderful environment we live in.
- Owlthorpe is very steep the locations show the hight above sea level.
- Scrolling down the page we have a number of short videos which you may find interesting.

Owlthorpe Heritage & Nature Trail is under threat from property developers, please signed our petition to Sheffield City Council: <https://chng.it/6vXHqcGG4S> A big thank you to the 1470, who in such a short period of time have signed. Policy makers are aware of our campaign and are beginning to take notice. It is by working together that we can change hearts and minds and curb the over-development of vital green spaces.

Thank you for your attention,

Kind Regards Michael Meredith
